- Conflict Resolution

About Me

A dedicated and detail-oriented with experience in housekeeping, customer service, and web development. Skilled in UI/UX design, HRIS web development, and administrative support. Known for being adaptable, reliable, and able to work effectively both independently and in a team environment. I am passionate about learning new technologies and improving my skills to contribute to organizational success while growing professionally.

Experience

● 2020-2021

HouseKeeping

Malagos Garden Resort

Performed housekeeping duties including room cleaning, bed making, and maintaining cleanliness in public areas. Ensured guest satisfaction by providing clean and comfortable accommodations and responding to guest requests when needed.

● 2021-2022

Dining Area

Jollibee Crew

Maintained cleanliness and orderliness of the dining area, assisted customers with their needs, and ensured tables were cleaned and sanitized. Provided fast and friendly service to support daily restaurant operations.

● 2025-2026

HRIS (Web Developer)

Highland Banana Corp. (INTERN)

Assisted in developing and maintaining the Human Resource Information System (HRIS). Helped design system interfaces, manage employee data, and support HR-related system functions such as employee records and reports.
